Our philosophy is to make tennis a fun, healthy family environment. As top players and instructors, our pros know how to motivate the players to work hard and get the most of their abilities while having fun.

The Circle C Tennis Club features eight state of the art Plexi-cushioned courts and full-lighted courts for evening play.

Childcare facilities are also available.

Players must sign up for the six-week programs, and fees are non-refundable. Students, who begin the clinics after the session has started, will have their payments prorated. Rained-out sessions can be made up on the following session or on another day that the group will meet. Discounts are available for **Members** attending two days a week and having additional siblings in the program.

Non-Members must pay in advance for Clinics and must provide a credit card when registering.
