Weekly News at Circle C Tennis Club

Dear Members,

Hard to believe that next week we will be in the month of May. As you plan your summer months, keep in mind the changes that will be taking place with Adult and Junior Programs. You can visit our website: www.circlectennis.com to download the Summer Brochures.

As many leagues have ended, we would like to remind you to make court and child care reservations in advance. As a courtesy to other Members, we ask that if you are not planning to use the court or Child Care, please call the club cancelling your reservation(s). This will allow us to open the courts for Members on the waiting list and also, cancel the Child Care Staff.

With the dry weather upon us, everyone is being warned about snakes and ants in open areas. If you happen to see a snake or a mound of ants, please notify our staff. We will make all efforts to correct the situation and get rid of these problems. All of the snakes that we have seen so far have been non-poisonous and safe to have around. We have special ant poison to get rid of them, but sometimes it will take a day or so to get rid of them.

Be safe and not too brave.

Fernando

Dennis is a former player, coach and captain of the Davis Cup. He was a team member from 1960 through 1966, coach from 1968 through 1971, and captain of the team from 1972 through 1975.

His drills will emphasize racket control, foot work and strategy. These are drills that he not only did while playing for the Davis Cup, but drills that he used while coaching the successful seasons that he was the captain for.
