Weekly News at Circle C Tennis Club

Dear Members,

Last week's WTTA Clinic at the UT Tennis Center was a great success. Thirty-five ladies came ready to take advantage of the workout hosted by our staff (Mari, Danny, Mandon), and the help of Rosie Garza and Beverly Bowes.

The first part of the session was a Cardio Tennis workout with all players moving for 35 minutes getting their heart rates up for at least 20 minutes. We had a "cool down" time and we started the "live ball" drills, which were enjoyed by everyone.

Then came lunch time at Scholz Garten, followed by Dennis Ralston sharing with the group his experiences with winning Wimbledon at the age of 17 and his Davis Cup matches playing against Romania in the 1960's. Everyone seemed to have enjoyed the clinic, the lunch and the tennis match between UT Austin and University of South Florida. From comments received, WTTA would like to make this a yearly event and grow to more players and courts.

Thanks to the Circle C Staff and Rosie and Beverly for their help.

Fernando
